

## 11 Nov 2017 Foray Species List

*Agaricus arvensis*

*Agaricus deardorffensis* (formerly *A. molleri*, *A. praeclaresquamosus*)

*Agaricus hondensis*

*Agaricus sp.*

*Agaricus subrutilescens*

*Aleurodiscus amorphus*

*Xerocomellus diffractus* (*Boletus chrysenteron*)

*Xerocomellus* (*Boletus*) *zelleri*

*Bondarzewia mesenterica*

*Calocera viscosa*

*Calocera cornea*

*Chlorophyllum brunneum*

*Chlorophyllum olivieri*

*Chroogomphus tomentosus*

*Chrysomphalina aurantiaca*

*Clavaria vermicularis*

*Clavulina cristata*

*Ampulloclitocybe* (*Clitocybe*) *clavipes*

*Clitocybe dealbata*

*Clitocybe deceptiva*

*Clitocybe nebularis*

*Clitocybe sp.*

*Coprinus comatus*

*Cortinarius alboviolascens*

*Cortinarius brunneus* group

*Cortinarius cinnamomeoluteus*

*Cortinarius neosaguineus*

*Cortinarius traganus*

*Cortinarius* sp.

*Dacrymyces chrysospermus*

*Ganoderma oregonense*

*Geastrum saccatum*

*Gomphidius glutinosus*

*Gomphidius oregonensis*

*Gymnopilus penetrans*

*Gymnopilus ventricosus*

*Gymnopus confluens*

*Gymnopus fuscopurpurea*

*Gymnopus peronatus*

*Hebeloma incarnatum*

*Hebeloma mesophaeum*

*Helvella lacunosa*

*Hericium abietis*

*Postia fragilis* (red-staining cheese polypore on madrone)

*Heterobasidion annosum*

*Hygrophoropsis aurantiaca*

*Hypholoma fasciculare*

*Hypholoma capnoides*

*Inocybe grammata* (formerly *I. albodisca*)  
*Inocybe insinuata* (formerly *I. geophylla*)  
*Inocybe pudica*  
*Laccaria laccata*  
*Lactarius* “deliciousus”  
*Lactarius luculentus* var. *laetus*  
*Lactarius rubrilacteus*  
*Lactarius rufus*  
*Lactarius scrobiculatus*  
*Leucoagaricus* sp.  
*Lepiota cristata*  
*Lepiota flammeotincta*  
*Lepiota fuliginescens*  
*Lepiota rubrotinctoides*  
*Lepista nuda*  
*Leucopaxillus albissimus*  
*Marasmiellus candidus*  
*Marasmius oreades*  
*Atheniella (Mycena) adonis*  
*Mycena filopes*  
*Mycena galericulata*  
*Mycena quinaultensis*  
*Phloemanina (Mycena) speirea*  
*Mycena tenerrima*  
*Phaeolus schweinitzii*

*Pholiota astragalina*

*Pholiota terrestris*

*Pluteus magnus*

*Porodaedalea pini*

*Postia fragilis* (red-staining cheese polypore on madrone)

*Psathyrella gracilis*

*Homophron spadiceum* (*Psathyrella spadicea*)

*Pseudohydnum gelatinosum*

*Russula abietinus*

*Russula cremoricolor*

*Russula fragrantissima*

*Russula purpurea*

*Russula xerampelina*

*Stereopsis humphreyi*

*Strobilurus albopilatus*

*Strobilurus trullisatus*

*Stropharia ambigua*

*Suillus caerulescens*

*Suillus lakei*

*Tricholopsis decora*

*Xeromphalina campanella*

*Xylaria hypoxylon*
