

10 Nov 2018 Dilly Foray – Deception Pass State Park

101 species listed. There were quite a few things that just didn't get adequately looked at for ID. Some of these have been entered into iNaturalist (project: Decep. Pass & Sharpe Pks – Fungi, Lichens, Slime molds, iNaturalist.org) where you can see photos of them. Identifiers include Buck McAdoo, Erin Moore, Christine Roberts, Dick Morrison and Fred Rhoades

Agaricus campestris?
Agaricus hondensis
Agaricus micromegathus
Agaricus sp.
Agaricus sp.
Amillaria sinapina
Armillaria solidipes
Aspropaxillus giganteus (formerly Clitocybe gigantean)
Auriscalpium vulgare
Battarrea phalloides
Callistosporium luteo-olivaceum
Cantharellus formosus
Chlorophyllum brunneum
Chlorophyllum olivieri
Clavaria cinerea
Clavaria fragilis
Clitocybe nebularis
Coprinellus micaceus
Coprinus comatus
Cortinarius obtusus
Cortinarius sp.
Cystoderma amianthinum
Cystodermella cinnabarina
Dacrymyces chrysospermus
Dacrymyces stillatus
Ganoderma applanatum
Ganoderma oregonense
Gastrum saccatum
Gomphidius subroseus
Gomphidius sp.
Gymnopus villosipes
Gymnopilus sp.
Helvella vespertina
Hemimycena delicatella
Heterobasidion annosum
Hydnum fuscoindicum
Hygrophoropsis aurantiaca
Hypomyces chrysospermus
Inocybe grammata (formerly I. albodisca)
Inocybe griseolilacina
Inocybe insinuata (formerly I. geophylla)
Inocybe pallidicremea (formerly I. lilacina)

Jahnoporus hirtus
Laccaria amethysteo-occidentalis
Laccaria laccata
Lactarius “deliciosus” group
Lactarius alnicola
Lactarius luculentus var. laetus
Lactarius pseudomucidus
Lactarius rubrilacteus
Lactarius scrobiculatus
Lactarius substriatus
Lentinellus ursinus
Lepiota magnispora
Lepiota roseolivida
Leucopaxillus paradoxus (formerly L. albissimus)
Lycoperdon pyriforme
Lycoperdon umbrinum
Macrocystidia cucumis
Marasimus oreades
Marasmiellus candidus
Mycena filopes
Mycena galericulata
Mycena leptcephala
Mycena purpureofusca
Mycena sp.
Paralepista flaccida (formerly Lepista inversa)
Peziza sp.
Phaeolus schweinitzii
Pholiota limonella
Polypore unknown (a multilayered, shelving thing didn't IDd see iNaturalist)
Porphyrellus porphyrosporus
Psathyrella longistriata
Pseudohydnum gelatinosum
Ramaria apiculata
Ramaria stricta
Russula brevipes
Russula cascadenis
Russula cremoricolor
Russula dissimulans
Russula elaeodes
Russula occidentalis
Russula queletii
Russula silvicola
Russula sphagnophila
Russula stuntzii
Russula xerampelina
Sarcodon fuscoindicus
Sarcodon imbricatus
Stereopsis humphreyi
Strobilurus trullisatus

Suillus lakei

Thelephora terrestris

Trametes versicolor

Tricholoma murrillianum (formerly *T. magnivelare* - name may be conserved - the jury is still out)

Tricholomopsis decora

Tricholomopsis rutilans

Xerocomellus chrysenteron

Xerocomellus zelleri

Xeromphalina campanella

Xylaria hypoxylon
